Note: Children tend to have abdominal symptoms and skin changes or rashes.

Do you have a family member who is confirmed or suspected of COVID-19 in the past 14 days?  
YES / NO

Have you or a family member been in contact with anyone who has traveled out of the  
Country in the past 14 days? YES / NO

If you have answered YES to any of the questions above please reschedule your appointment.

### — APPOINTMENT SAFETY PLAN —

When possible, treatment should be provided in an outdoor setting. If indoors, when possible, open windows to increase air flow. Technician and Clients should wear a mask at ALL times (unless the child is too young to do so or for medical reasons). Other family members waiting for treatment should do so in another room or keep as much distance as possible. The technician will enter the premises with mask/gloves. All equipment, chair, table etc will be sanitized before and after the appointment.
